

# FEDERAL STUDENT LOAN BASICS

Did you complete the Free Application for Federal Student Aid (FAFSA®)? If your answer is yes, you may have received federal student loans as part of your financial aid award package. These student loans are provided by the government — not private lenders — to help students and their families pay for college. Here’s a breakdown of the different federal student loan options available. Compare these details to find the best fit for your needs.

Discover® Student Loans offers private student loans, not federal student loans. Interest rates are shown for loans disbursed from July 1, 2020 through June 30, 2021. Fees are shown for loans disbursed from October 1, 2020 through September 30, 2021.
